

CHALET DES ENFANTS LA CLUSAZ

Semi-detached 4 star chalet for 10 - hot tub and great views

Ski into La Clusaz from this fabulous family-friendly ski chalet in the French Alps

About Chalet des Enfants La Clusaz ...

You'd struggle to find a more perfect base for a mountain holiday than 4 star rated Chalet des Enfants, situated in a private drive just seven minutes walk from the centre of La Clusaz (and just a minute on skis!). It's far enough from the village to enjoy the tranquility of the mountains, but close enough to take advantage of the bars, restaurants and other facilities.

The ski bus stops less than 100m away from the chalet, and it's only a few steps further to the Nant piste, so you won't waste any time getting on the slopes.

Recently upgraded, Chalet des Enfants is semi-detached, and the accommodation is set over four floors, with stair gates and equipment for families with very young children. It would be ideal for two families holidaying together, or a group of friends. The property is, however, not suitable for those with limited mobility.
